Sir:

Further to Applicant's Duty of Disclosure pursuant to 37 C.F.R. §1.56, Applicant wishes to bring to the Examiner's attention the material cited on the enclosed PTO-1449 form. Copies of the cited documents are enclosed.

References AA and AC are submitted in the Japanese language. After a diligent search, no English language equivalents or abstract was found. References AB and AD are submitted in the Korean language with an English language abstract.

Applicant: Yoon Nyun Kim
Application No.: Not Yet Known

IP20 Rec'd TCT/PTO 24 APR 2006

The relevancy of references AA and AB is set forth in the enclosed International Preliminary Report on Patentability (IPER), and in the enclosed International Search Report of the corresponding Korean application as a category "Y", document of particular relevance; the claimed invention cannot be considered to involve an inventive step when the document is combined with one or more other such documents, such combination being obvious to a person skilled in the art.

The relevancy of references AC and AD is set forth in the enclosed International Preliminary Report on Patentability (IPER), and in the enclosed International Search Report of the corresponding Korean application as a category "A", document defining the general state of the art.

It is respectfully requested that the Examiner consider these documents and return an initialed copy of the PTO-1449 form indicating his consideration of the cited materials.

Respectfully submitted,

Yoon Nyun Kim
